The Honorable Board of Supervisors

383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC HEALTH: AMENDED JOINT EXERCISE OF POWERS  
AGREEMENT BETWEEN THE COUNTY OF LOS ANGELES AND THE CITY  
OF LOS ANGELES FOR THE CREATION OF THE SUNSHINE CANYON  
LANDFILL LOCAL ENFORCEMENT AGENCY  
(SUPERVISORIAL DISTRICTS 3 AND 5)  
(3 VOTES)**

**SUBJECT**

Request approval of an amended Joint Exercise of Powers Agreement between the County of Los Angeles and the City of Los Angeles for the creation of the Sunshine Canyon Landfill Local Enforcement Agency to locally regulate the combined operation of the Sunshine Canyon Landfill in compliance with State law and regulations.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that approval of the amended Joint Exercise of Powers Agreement (JPA) (Attachment I) is categorically exempt from the California Environmental Quality Act (CEQA).
2. Approve and instruct the Chair to sign the amended JPA between the County of Los Angeles (County) and the City of Los Angeles (City) for the creation of the Sunshine Canyon Landfill Local Enforcement Agency (SCL-LEA) to locally regulate the combined operation of the Sunshine Canyon Landfill (SCL) in compliance with State law and regulations.

3. Approve and instruct the Chair to sign the replacement Resolution (Attachment II) designating the SCL-LEA as the enforcement agency of the SCL.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On May 6, 2008, your Board approved a Resolution that withdrew the Department of Public Health (DPH), Solid Waste Management Program, as the Local Enforcement Agency (LEA) for the SCL, and designated the SCL-LEA as the LEA which was established under a JPA with the City.

The California Integrated Waste Management Board (CIWMB), the state agency that certifies LEAs, has instructed DPH to obtain a replacement Resolution and amended JPA that cites section 43203 (b) of the California Public Resources Code which pertains to the establishment of the LEA by a JPA. The replacement Resolution and amended JPA are therefore being submitted to your Board, as requested by the CIWMB.

#### **Implementation of Strategic Plan Goals**

This action supports Goal 1, Service Excellence and Goal 6, Community Service of the Countywide Strategic Plan. Adoption of the amended JPA and replacement Resolution will allow the County to enhance the quality of life for its residents and businesses in the unincorporated areas by providing excellent regulatory services of the SCL.

#### **FISCAL IMPACT/FINANCING**

Under the amended JPA, the SCL-LEA will establish an annual operating budget. Full cost recovery for expenditures related to the operations and administrative duties, including legal expenses of the SCL-LEA, will be obtained through the landfill owner operator, Browning Ferris Industries/Allied Waste Industries (BFI).

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The SCL is located at 14747 San Fernando Road, Sylmar, California 91324. A portion of the landfill is situated in the unincorporated territory of the County and the remainder within the City. The County LEA and the City LEA regulated and issued separate Solid Waste Facilities Permits (SWFP) at the SCL for their respective jurisdictions.

Honorable Board of Supervisors

August 19, 2008

Page 3

BFI desires to operate the County and City portions of the landfill as one joint landfill in order to achieve savings based on economies of scale in its operation, as well as to obtain a significantly greater tonnage capacity for its disposal business than is currently feasible under two separate landfills. BFI therefore submitted an application to the CIWMB for a new SWFP for the combined City/County joint landfill.

The CIWMB has taken the position that a combined SWFP, under a new LEA, would be the most effective means to regulate the landfill. The CIWMB has also taken steps to assume responsibility for regulation of the joint landfill unless and until a single LEA is in place and has stated that in order to have the joint landfill, it is necessary for BFI to obtain a combined SWFP for the joint landfill from a new single certified SCL-LEA. Therefore, on July 7, 2008, the CIWMB issued a new SWFP for the joint landfill.

In addition to meeting the CIWMB requirements, a single SCL-LEA will allow for more efficient local regulation of the joint landfill while still providing the necessary protection of public health and the environment within both the County and City jurisdictions. In order to comply with the CIWMB direction, County and City staff have prepared the attached amended JPA and replacement Resolution for the SCL-LEA to be established as a State-certified agency for the purposes of locally regulating the combined operation of the joint landfill in compliance with State statutes and regulations

The amended JPA and replacement Resolution have been reviewed and approved, as to form, by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

The amended JPA and replacement Resolution are categorically exempt from the provisions of the CEQA. The amended JPA enables regulation of the SCL through a joint powers authority organizational structure. The SCL-LEA does not change the geographical area of authority. The project therefore meets the exemption criteria of Section 15320 of the State CEQA Guidelines.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the amended JPA will support ongoing inspection and enforcement at the local level allowing efficient responsiveness.

Honorable Board of Supervisors  
August 19, 2008

**CONCLUSION**

It is requested that the Executive Officer of the Board return one original signed amended JPA, replacement Resolution, and stamped letter with four certified copies to the Director of Environmental Health, 5050 Commerce Drive, Baldwin Park, California. It is further requested that three original signed amended JPAs be sent to the City of Los Angeles, Chief Legislative Analyst, and that a copy be provided to the Chief Executive Officer and the Director of Public Works.

Respectfully submitted,
